**SUMMARY:**

The *Procedures for Search and Review for Senior Administrators* require that decanal reviews have a member of the General Academic Assembly selected by Council who holds a senior administrative position in the university and who is not a member of the college where the review is taking place. The Nominations Committee is tasked with putting forward a name for consideration by Council.

After reviewing the list of eligible persons to be nominated for this position, the Nominations Committee is recommending the following person serve on the Review Committee for the Dean of the College of Agriculture and Bioresources as this senior administrator:

- Bruce Wobeser (Associate Dean, Academic, Western College of Veterinary Medicine).
