

Academic Programs Committee of Council

Annual report of Admission Qualifications and Selection Criteria 2014-15

Under the [University of Saskatchewan Admissions policy](#) dated May, 2012, admission to the University of Saskatchewan is based on documented qualifications as established by University Council and confirmed by Senate. These qualifications may be defined in areas of objective qualifications such as high school subjects, secondary or post-secondary standing, minimum averages, English proficiency, and minimum scores on standardized tests.

The Council and Senate have delegated to each college faculty council the authority to establish such other reasonable selection criteria as each faculty council may consider appropriate to its program of study. Selection criteria are a means by which a college can assess or rank its qualified applicants. Admission decisions for entry into the College of Graduate Studies and Research may also take into consideration the availability of suitable faculty supervisors, funding and other factors.

It is the responsibility of each college faculty council that has been delegated authority over admission decisions to ensure that the admission qualifications and selection criteria for admission, relative weighting, application procedures, deadline for applications, and the process for evaluation of applicants are published and readily available to the general public and reported annually to Council and to Senate.

Attached are the 2014-15 admission requirements for the following university programs, including required qualifications, selection criteria, and categories of admission.

The results of this request will be posted to the website as soon as they are available.**
- Dental Aptitude Test
- Proficiency in English

Selection Criteria:

1. Academic Record – 65%

- Average in the best two 30-credit years

2. Dental Aptitude Test – 15% weighting

- Reading Comprehension (1/3)
- Academic Average (1/3)
- Perceptual Ability (1/3)

3. Interview – 20% weighting

Categories of Applicants

The College of Dentistry welcomes applications from all students. Of the 28 first-year spots, 22 are reserved for Saskatchewan residents, including 3 spaces for persons of Aboriginal descent. The other 6 spaces are open to all other applicants, regardless of residency.

1. Saskatchewan Residents

- Applicants must be Canadian citizens or landed immigrants at the time of application.
- Applicants normally must have resided in Saskatchewan for at least four years immediately prior to September 1st of the year in which admission is being sought. Applicants who left the province, but who previously lived in Saskatchewan for an accumulated period of 15 years (permanent residency), will be treated as residents. Applicants who have previously lived in Saskatchewan for an accumulated period of less than 15 years and who do not qualify under the four-year condition will receive credit of one year toward the four year requirement for every four years of residency in the province. There are no exceptions to the four-year Saskatchewan residency rule.

2. Canadian and International Applicants

- There are up to 6 spaces set aside for non-SK residents, either out of province Canadian, or international.

3. Aboriginal Equity Access Program

- There is a separate category in which three first year spaces are reserved for persons of Canadian Aboriginal ancestry.
- Applicants must meet the minimum Admission Qualifications, above.
- Applicants must achieve an acceptable rating on the interview and complete the Dental Aptitude Test (DAT).
- Applicants must provide proof of Aboriginal ancestry.

4. Foreign Trained Dentists

- There is a separate category in which ONE first year space is reserved for a foreign trained dentist. Applicants in this stream will compete in a separate pool for this position.
- Applicants must have earned a dental degree from a recognized dental college other than Canada or the United States of America.
- Applicants must meet the Saskatchewan residency rules
- If applicable, applicants must present satisfactory evidence of proficiency in English.
- Applicants must take the Dental Aptitude Test (DAT) administered by the Canadian Dental Association.
- Applicants must be interviewed at the University of Saskatchewan for the year in which admission is being sought.
- Applicants must provide a **one-page** biography (curriculum vita) on relevant dental experiences and other information that would be helpful to the Admissions Committee

5. Special Case Category

- The College of Dentistry may consider students with special circumstances with regard to one or both of the 30 credit unit years, such that one or both years may have been completed over twelve consecutive months as part of a program requirement.
- All "special case" applicants will be considered by the Admissions Committee and will compete with all other applicants in the general pool of candidates. Applicants must have met all other requirements. Applicants are to submit a letter with their application form that explains their special circumstances.

2014-2015 Admission Requirements

College: Law

Program(s): Juris Doctor (JD)

Admission Qualifications:

- Two full years of undergraduate study (60 credit units)
- Law School Admission Test (LSAT)
- Personal Statement
- Proficiency in English

Selection Criteria:

1. Admission is at the discretion of the Admissions Committee, and in exercising this discretion, the Committee considers the following criteria:

- a. Academic Record- 50% weighting

The admissions average is calculated on the two best full years of undergraduate student, comprised of at least 24 credit units completed in the Fall/Winter session. Courses taken in spring or summer are not counted in the admission average.

- b. LSAT score- 50% weighting

- c. Personal Statement

Categories of Applicants

1. Regular Applicants

There is no resident requirement, but the Admissions Committee gives a slight preference to applicants with a Saskatchewan connection, or residents of the Yukon, Northwest and Nunavut Territories, Prince Edward Island and Newfoundland and Labrador (i.e., provinces and territories with no law college). A Saskatchewan connection may include: any immediate family connection to Law School; parent, sibling, spouse or partner currently attending University of Saskatchewan or partner currently living in Saskatoon area.

2. Aboriginal Applicants

Applicants of Aboriginal ancestry should apply under this category. There is no quota for Aboriginal applicants. Applicants may receive offers of a place in the JD program upon completion of the Program of Legal Studies for Native Peoples administered by the Native Law Centre at the College of Law (this program is not required for admission, but program completion is considered by the Admissions Committee as a special supplementary predictor of success in law school).

3. Special Applicants

The Admissions Committee will consider special applicants based on the Committee's assessment of the applicant's ability to cope successfully with the requirements of the JD program. LSAT score is usually given significant weight. There is no formal quota under this category, but the number of admissions is limited. Applicants under this category must complete all steps in the regular application process and provide additional documentation that includes

- a. A statement explaining the nature of their educational disadvantage (which may include first language other than English, barriers resulting from ethnic or racial background, employment or domestic obligations preventing earlier application, learning disability or physical impairment, significant interruption of post-secondary education)
- b. Relevant supporting documentation such as medical reports
- c. Details of any relevant occupational experience or community involvement
- d. Two to three supporting letters of reference

 - Chemistry 112 and 250
 - Physics 115 and 117
 - English 110 or any two of 111, 112, 113, 114
 - 6 credit units of Social Science/Humanities
 - Biomedical Science 200 and 230
 - **OR** an MCAT accumulated score of 26 in the Biological Science, Physical Science, and Verbal Reasoning sections (with no section below 8. **Note:** An MCAT is required from any student who completed their prerequisite courses outside of University of Saskatchewan or University of Regina. Scores must be obtained in one sitting prior to the application deadline and current within the last 5 years (earliest accepted scores for 2014 entry are 2009). The maximum number of times an applicant may take the MCAT is 5 times (additional sittings will not be accepted unless preapproved in writing by the Admissions Office, College of Medicine).
- Two full years of undergraduate study (60 credit units) within two standard academic years (September - April) with a minimum average of 78% in the two year average.

OUT-OF-PROVINCE RESIDENTS

Academic performance for out-of-province residents will be based on the MCAT Verbal Reasoning + Physical Sciences + Biological Sciences total score along with a required minimum GPA of 83% over all course work that is completed prior to application. Courses completed after the date of application must minimally average 83%, as well.

- **MCAT Requirement.** All out-of-province applicants must complete the Medical College Admission Test (MCAT) prior to application. Scores on the Verbal Reasoning, Physical Sciences and Biological Sciences sections must total a minimum of 30 (no score less than 8 on any section). Selection of applicants invited to interview will be based on the MCAT Verbal Reasoning + Physical Sciences + Biological

Sciences total score (MCAT Sum), with the Verbal Reasoning score being used to break ties. Scores must be obtained in one sitting prior to the application deadline and current within the last 5 years (earliest accepted scores for 2014 entry are 2009). The maximum number of times an applicant may take the MCAT is 5 times (additional sittings will not be accepted unless preapproved in writing by the Admissions Office, College of Medicine). While prerequisites are not mandatory for students applying under the "MCAT" requirement, applicants are strongly encouraged to complete equivalent/similar courses (particularly the biochemistry courses) to ensure readiness for the basic sciences covered in the first two years of the undergraduate medical curriculum. Registration for the MCAT is online at www.aamc.org/mcat.

- **Degree Requirement.** Application by out-of-province applicants can be made only during or after the final year of a four year degree. If a four year degree is completed prior to application, course-work for the degree must have been completed within a 48 month period. If applicants are in the final year of a four year degree, a minimum of 90 credit units must have been completed in the 36 months prior to the end of August immediately before application. All courses completed at the date of application will be used for calculation of the grade-point-average (GPA). The minimum GPA required for application will be 83.0%. The four year degree must be completed by the time study of medicine starts. All remaining courses completed after the date of application must minimally average 83.0%

Selection Criteria:

1. Weighting

- The weighting of academic performance to personal qualities (College of Medicine Multiple Mini Interview - MMI) for Saskatchewan residents is 35:65. Out-of-province applicants invited for an interview will be ranked for admission based 100% on the applicant's performance in the MMI.

2. References

- The names of two referees and their contact information will be requested from applicants at the time of interview offers. References are not scored; they are used on a rule out basis.

3. Criminal Record Check

- All applicants offered admission will be required to submit a criminal record check including vulnerable sector screening to the College of Medicine by August 15 of the year of entry.

4. Standard First Aid Certificate

- Students accepted into the College of Medicine must provide a copy of a valid Standard First Aid Certificate prior to starting medicine classes in August.

Categories of Applicants:

90% of first year positions are reserved for Saskatchewan residents. To increase the number of Aboriginal physicians, 10% of first year positions are available for qualified, self-identified First Nations, Métis, and Inuit students through the Aboriginal Equity Program (Note: these seats are included in the 90% allocated Saskatchewan positions).

1. Saskatchewan Residents

- Applicants must be a Canadian citizen or a permanent resident and have lived in Canada for at least three years prior to September 1 of the year in which admission is being sought. Applicants normally must have resided in Saskatchewan for three years directly preceding September 1 of the year in which admission is being sought. However, applicants who have left the province, but have previously lived in Saskatchewan for an accumulated period of 15 years (permanent residency) will be treated as residents.
- Applicants who have previously lived in Saskatchewan for an accumulated period of less than 15 years, and do not qualify under the three year condition, will receive credit of one year toward the three-year requirement for every five years residency in the province.
- Applicants who meet the same criteria based on residency in Yukon, Northwest, or Nunavut territory can apply as a Saskatchewan resident.
- An exception to the three-year ruling may be made for members of the Armed Forces of Canada or RCMP, or for an applicant whose spouse, parent, or guardian is a member of the Armed Forces of Canada or RCMP, who has moved to Saskatchewan due to being reassigned. In these cases, the applicant **must have resided in Saskatchewan** for at least 12 consecutive months directly preceding September 1 of the year of application and obtained written approval to waive the 3-year requirement.
- Individuals who have been in three years of full time study at the University of Saskatchewan or University of Regina directly preceding the date of entry being sought are considered to be Saskatchewan residents.

2. Canadian Out-of-Province Residents

- Up to 10% of positions may be offered to out-of-province applicants. Applicants must be a Canadian citizen or a permanent resident and have lived in Canada for at least three years prior to September 1 of the year in which admission is being sought.

3. Aboriginal Equity Access Program

- Ten percent (10%) of first-year spaces are reserved for persons of Canadian Aboriginal descent (with a preference for applicants meeting the Saskatchewan residency requirement and a maximum of five equity seats open to out-of-province applicants of Aboriginal descent accepted through the equity seats each year).
- Note: Applicants of Aboriginal ancestry are first considered within the Saskatchewan pool, and if not competitive, then within the equity pool. Applicants applying through the Aboriginal Equity Access Program will have the option of either completing the prerequisite requirement or presenting the MCAT.

4. Special Case Category

- Special cases are granted prospectively to applicants to facilitate their meeting the application requirements while dealing with unique circumstances. The intent of a special case consideration is to

help applicants prepare for Medicine prior to their application and not after they have submitted their application.

5. Admission with Advanced Standing

- All applicants must follow the complete admissions process. After being accepted into the first year class, formal application may then be made to the Undergraduate Medical Education Committee for any advanced standing, or individual class exemptions.

2014-2015 Admission Requirements

College: Veterinary Medicine
Program(s): DVM

Admission Qualifications:

- 60 credit units of pre-veterinary courses (at least two years)
 - 6 credit units of Biology
 - 6 credit units of Chemistry
 - 6 credit units of English
 - 6 credit units of Mathematics or Statistics
 - 3 credit units of Physics
 - 3 credit units of Organic Chemistry
 - 3 credit units of Biochemistry
 - 3 credit units of Genetics
 - 3 credit units of Introductory Microbiology
 - 21 credit units of elective courses
- Minimum cumulative average of 75% in all university courses

Selection Criteria:

Up to 78 students are admitted to the first year class. Selection is based on a number of factors including: mental aptitude, academic performance, motivation, maturity, experience with animals, leadership qualities, social awareness, deportment, verbal facility, and ability to communicate, and an understanding and knowledge of the veterinary profession. These factors are assessed through the following criteria:

1. Academic Record

At least two full years of university courses are required to complete the pre-requisite course requirements. Applicants must have a minimum cumulative average of 75% to be considered.

2. Interview

Applicants are selected for interview based primarily on their academic performance.

3. References

Two references are required: one must be a veterinarian, while the other must have an animal-related or agricultural background.

4. Selection of Students

Students are ranked for admission based on a weighted formula: 60:40 academic vs. non-academic

Categories of Applicants

As a regional veterinary college, the program accepts applicants who are residents of the four western provinces and the northern territories. The allotment system is:

- British Columbia: 20
- Alberta: 20
- Saskatchewan: 20
- Manitoba: 15
- Northern territories (Yukon, Nunavut and Northwest Territories): 1
- Education Equity Program: 2

1. Saskatchewan, Alberta, British Columbia and Manitoba Residents

- For an applicant residing with his or her parents, the residence of the parents shall determine the residence of the applicant.
- For an applicant not residing with his or her parents, residence is established by the applicant's residing in the province in question for at least one year (12 consecutive months) without attending post-secondary education.

2. Yukon, Nunavut, and Northwest Territories Residents

- Because Yukon, Nunavut, and Northwest Territories are not formal signatories of the interprovincial funding contract, they apply their own rules for applicants claiming to be residents of these areas.

3. Aboriginal Equity Access Program

Two seats are available for Aboriginal students under this category. Proof of Aboriginal ancestry is required.
