## Memorandum

Dear colleagues,

Please refer to the attached document to view the tentative Academic Calendar for the 2015-2016 Academic Year.

This Calendar was developed according to existing practices in consultation with the Academic Deans of all the colleges, and is based on last year's Academic Calendar, adjusting for yearly calendar changes. This Calendar achieves a balance between the number of teaching days in each term, one day for new student orientation in September, and a sufficient number of days to accommodate final examinations.

Please review this Calendar carefully, particularly as it concerns your college or unit, to ensure that the dates are correct and appropriate and that they properly reflect any changes in processes that you have made in the last year. Non-direct entry colleges are asked to pay particular attention to start and end dates of classes and examinations.

Please note that for 2015, a one day Orientation will be held on Wednesday September 2<sup>nd</sup> and classes will begin on Thursday September 3<sup>rd</sup>. Both of these dates are prior to the Labour Day holiday which falls on Monday September 7<sup>th</sup>, 2015.

When the Fall Break week was approved last year, it was acknowledged that certain calendar years would cause challenges for final examination scheduling. With the lateness of Labour Day in 2015, this is one of those calendar years, and in order to have sufficient days to accommodate all final examinations there will be no 24 hour period between the last day of classes and the first day of final examinations. However, Registrarial Services will, as much as is possible, try not to schedule final examinations on December 23.

The Fall Break Week is scheduled for November 9<sup>th</sup> – 14<sup>th</sup> where no classes will be held, with the exception of Dentistry, Medicine, Nursing, fourth year Nutrition, Physical Therapy, Veterinary Medicine, and the University Language Centre. The Winter Break Week is scheduled for February 16<sup>th</sup> – 21<sup>st</sup> where no classes will be held with the exception of fourth year Veterinary Medicine, fourth year Nutrition, fourth year Pharmacy, and third and fourth year Medicine. If there are any changes in college participation in these break weeks, please consult with Registrarial Services.

Please respond by e-mail to [melissa.kyrejto@usask.ca](mailto:melissa.kyrejto@usask.ca) by **October 31, 2014** stating any required changes or providing any general feedback.

Yours respectfully,

Russell Isinger  
University Registrar
