University Course Challenge items for information:

Degree Works programming

The following information is posted in the University Course Challenge as a reference for colleges and departments. As Degree Works is being implemented, colleges are now required to list specific courses and course equivalents in programs. These are not curricular changes for which approval is required, but other colleges and departments may need to be aware of the specific courses and course equivalents which are now listed in university programs.

College of Education

[UPDATED document](#) (January 2013 final) including College of Kinesiology combined program, Aurora College and Northlands College courses.

Item for Information

CENTRE FOR CONTINUING AND DISTANCE EDUCATION

Certificate in Teaching English as a Second Language (CERTESL) program.

Three courses are being deleted from this program
TEFL 11 Communicative Language Teaching I
TEFL 12 Communicative Language Teaching II
TEFL 14 Grammar and Phonology in the Communicative Classroom

Rationale:

Enrolment declined sharply in these courses as TESL accrediting bodies recognize TESL courses rather than TEFL courses to meet accreditation standards. The option for the TEFL stream was therefore discontinued and registrants follow the TESL stream in the program.
