

Academic Program Approval Process Maps

Timeline for *May* Implementation of New Programs and Curricular Changes*

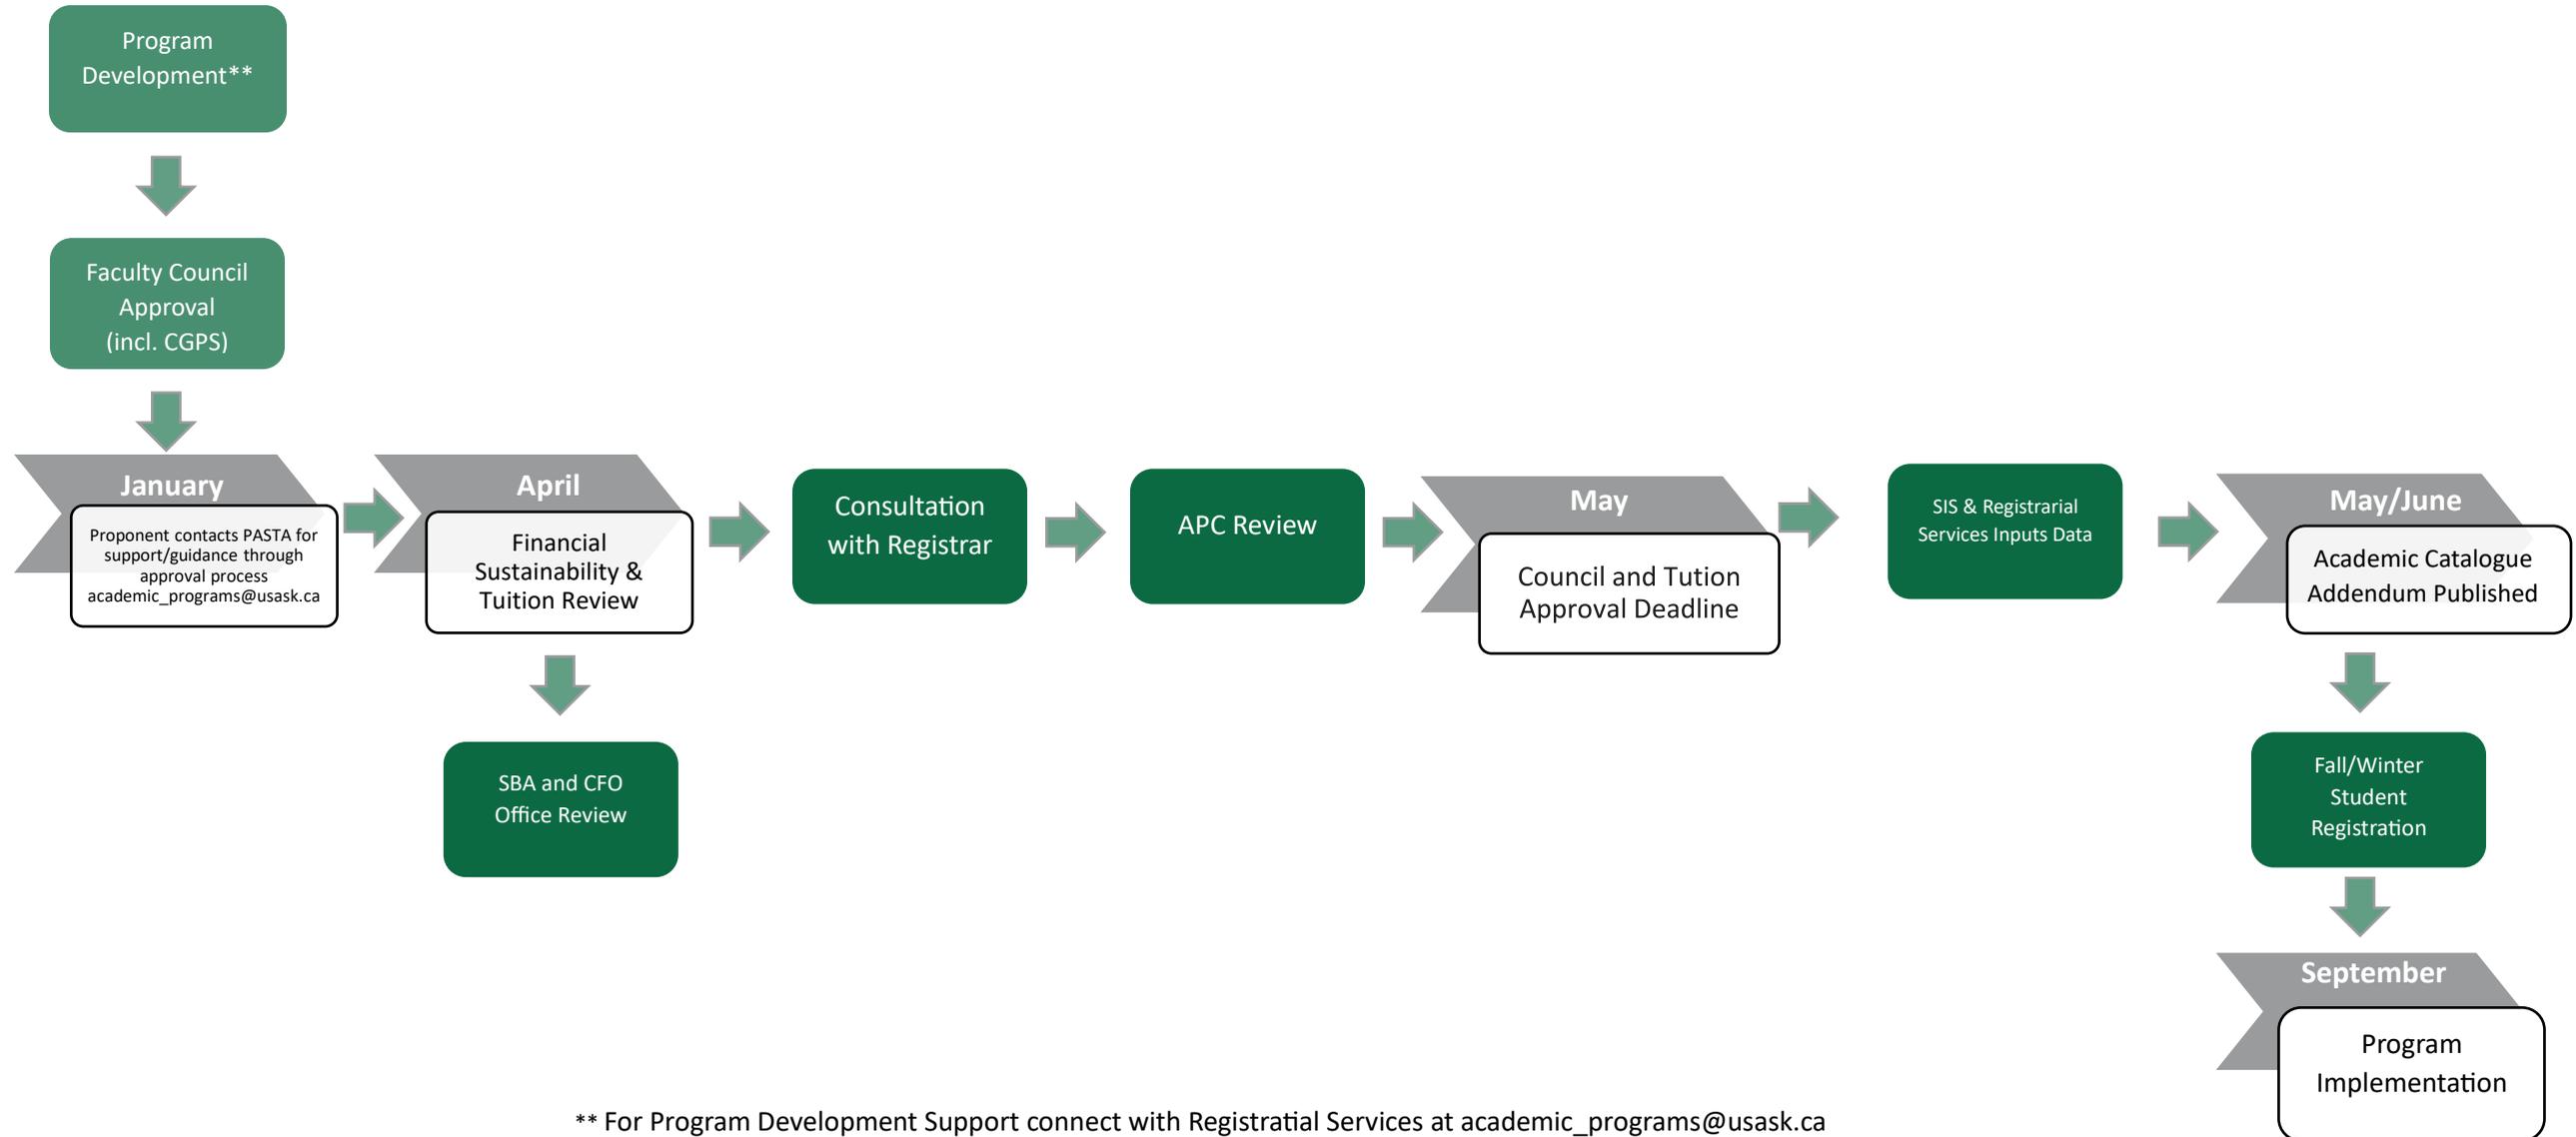

Note: The Program Proponent contacts the Program Approvals Support Team, Academic (PASTA). This team coordinates governance and administration of new academic programs and major changes to existing programs as embedded in APC's Terms of Reference (Council Bylaws, 2022, p. 14-15). Academic program approval is conducted twice per year. While the above chart shows the approval process and timeliness for May Implementation program delivery, the chart below points to September Implementation.

***IMPORTANT:** Any new and revised programs carrying **new and/or nonstandard tuition/methods of assessment** are to follow the above timeline for September implementation.
