Total Enrolment

- Description** A headcount metric that measures the distinct number of students registered in at least one class in the academic year.
- Purpose** To inform on the levels and trends of enrolment in the academic year.
- Academic Year** The time period from May 1 through April 30 in which student enrolment is reported. This includes spring, summer, fall and winter terms.
- Visiting Research Student** A visiting research student (VRS) is an individual who has been admitted to the University of Saskatchewan as an undergraduate or graduate student for the purpose of engaging in an approved plan of research with a faculty supervisor. Visiting research students are not assessed tuition, will not be enrolled in any credit course work, and are registered at the university for a period not exceeding 12 months per 18 month period.

Enrolment By College/School

- Description** Headcount broken out by colleges and schools for undergraduate and graduate students. The percentage measures the change of enrolment from the previous year to current year.
- Purpose** To inform on enrolment headcounts and trends for colleges and schools.
- Retention**
- Description** First to second academic year retention measures the percentage of full time, direct entry, undergraduate students who were enrolled in the previous academic year in any term, and are still enrolled in the following academic year in any term.
- Purpose** This metric measures the university's success in retaining students from one academic year to the next.

Teaching Activity

- Description** Teaching activity measures the number of students in classes in the academic year. Students who withdraw from class after the last day to drop are included in the count. The percentage shown measures the change of teaching activity from the previous year to the current year.
- Purpose** To inform on teaching activity trends as an indicator of sustainability. The pie chart shows teaching activity across the four terms to inform on capacity.

Convocation

- Description** The number of credentials awarded in a calendar year for the successful completion of an approved University of Saskatchewan degree or non-degree level program. The number of credentials awarded is higher than the distinct number of students who graduate because students can be awarded multiple credentials in the calendar year.
- Purpose** Demonstrates student outcomes.
- Calendar Year** The time period from Jan 1 for Dec 31 in which student qualifications are reported. This includes the spring and fall convocations.

Student Origin

- Description** Student origin shows the percentage of students who came from Saskatchewan, other Canadian provinces or from abroad based on students' high school, post-secondary, or admissions address.
- Purpose** To inform on the diversity of the student population based on origin.

Indigenous Students

- Description** Indigenous student enrolment data is based on voluntary self-declared data. Self-declared data has not been verified as per the deybwewin | taapwaywin | tapwewin: Indigenous Truth policy. deybwewin | taapwaywin | tapwewin data is not shared nor included in any reporting at this time.
- Purpose** To inform on the enrolment trends of Indigenous students and the diversity of the student population.

International Students

- Description** International students are students who are not Canadian citizens, permanent residents or refugees such as students on a study permit, inbound international exchange, and visiting international research students. The pie charts show the percentage of international students out of total students.
- Purpose** To inform on the enrolment trends of international students and the diversity of the student population.

Top Five Countries

- Description** A list of nations having the highest undergraduate and graduate international student enrolment as determined by the student's citizenship. The percentage shown measures the number of students from a particular nation as compared to the total number of international students.
- Purpose** To inform on the diversity of the international student population.
